

# OUR APPROACH

Instead of only treating individuals, the coalition seeks out **environmental strategies** that treat the conditions in which substance abuse occurs.

Student involvement is crucial to our success.

## Contact us

if you or your group would like to find out how to participate.

# CASAP

A project of

The Brazos Valley Council on Alcohol and Substance Abuse

4001 E. 29th St, Suite 90  
Bryan, TX 77802

A coalition to address college-level alcohol and drug abuse.

- PROACTIVE
- DATA DRIVEN
- COMMUNITY BASED

# IT PAYS TO BE DRUG-FREE

**LITERALLY.** It pays to graduate and find a great job where you can put your education to use. Sadly, alcohol and drug use causes 160,000 college freshmen to drop out of school annually in the US. Many others are unable to find jobs after college due to alcohol or drug charges on their permanent criminal record.

**Alcohol**— is tied to more incidences of assault, rape, and death *than any other substance* on college campuses.

**Marijuana**— a study shows that college students who use marijuana are twice as likely to *unenroll* from higher education.

**Rx Medication**— emerging in many forms, Rx pill abuse can lead to *addiction* and causes more ER visits annually than illicit drug use.

## OUR MISSION

- Reduce alcohol, marijuana and prescription pill abuse
- Improve health & wellness
- Ensure a positive learning experience for students
