

# Blinn College EMS Paramedic Program (Spring Application)

The Paramedic Program will begin every spring semester and will finish with an internship in the fall (January to December). We are excited that you have shown an interest in becoming a paramedic, as it is one of the most dynamic and exciting careers in the world. Paramedic training and education is a challenging commitment and applicants are encouraged to visit the EMS Program webpage at [www.blinn.edu/emergency-medical-services](http://www.blinn.edu/emergency-medical-services). For more information regarding our classes, please contact the EMS Program Assistant, Mally R. Hance, at 979-691-2130 or [mally.hance@blinn.edu](mailto:mally.hance@blinn.edu).

**Please Note: A class of 10 students must be met for the spring program to take place.**

Admission into the Paramedic Program is a competitive entry process to include, but not limited to, submission of a complete application and an oral interview. Regardless of your EMS employment status, affiliation with a clinical agency, or your current certification level, you must complete the application in its entirety. Admission to Blinn College does not imply nor guarantee admission to the Paramedic Program nor does acceptance to the Paramedic Program guarantee admission to Blinn College. You must submit a separate application to each entity. The Program Admissions Committee will consider criteria such as letters of recommendation, EMS work experience, academic scores, etc. to determine spring acceptance. A complete list of criteria to be considered for entry is enclosed within this packet.

**PLEASE NOTE: Partial or incomplete applications will not be considered for admission to the Spring Paramedic Program. Your application file must be complete.**

**Please turn in your application and all required documents by mail, email or deliver directly to the Blinn College EMS Office.**

“To prepare competent entry-level Emergency Medical Technician-Paramedics in the cognitive (knowledge), psychomotor (skills), and affective (behavior) learning domains with or without exit points at the Advanced Emergency Medical Technician and/or Emergency Medical Technician, and/or Emergency Medical Responder levels.”

To be considered for the Spring Paramedic Program, the following steps **must** be completed:

Students must meet Blinn College requirements for admission. You may visit [www.applytexas.org](http://www.applytexas.org) to submit an application to Blinn College.

### **2. SUBMIT COPIES OF ALL COLLEGE TRANSCRIPTS**

Unofficial transcripts will be accepted for the Paramedic Program application process; however, official copies are required by Blinn for admission to the college.

### **3. MEET ALL PARAMEDIC PROGRAM REQUIREMENTS FOR CERTIFICATE AND/OR DEGREE**

Prerequisites for entry into the Paramedic Program are as follows:

❑ **Meet TSI Compliance Standards for the Degree**

A student must be TSI college ready by Blinn College standards. You may visit the Blinn College TSI website at [www.blinn.edu/testing/tsi](http://www.blinn.edu/testing/tsi) for further information.

❑ **College Level Anatomy & Physiology – DEGREE Options:**

***Certificate does not require BIOL 2401, Anatomy & Physiology I & BIOL 2402, Anatomy & Physiology II.***

**(Catalog Year 2022-2023 forward) BIOL 2401, Anatomy & Physiology I & BIOL 2402, Anatomy & Physiology II.**

**Complete BIOL 2401, Anatomy & Physiology I prior to entry:**

- ❑ Successfully complete one semester of college-level human Anatomy & Physiology (BIOL 2401, Anatomy & Physiology I) prior to acceptance into the Paramedic Academy. If you are taking BIOL 2401, Anatomy & Physiology I during the summer or during the fall, your submitted transcript must reflect enrollment in the class. Must pass course with a letter grade of C or higher.

**Co-enrollment in BIOL 2401, Anatomy & Physiology I and BIOL 2402, Anatomy & Physiology II:**

- ❑ Co-enroll in college-level BIOL 2401, Anatomy & Physiology I during the spring semester. Co-enroll in college-level BIOL 2402, Anatomy & Physiology II during the summer semester. Must pass both courses with a letter grade of C or higher.

You must complete both BIOL 2401 and BIOL 2402 to fulfill the certificate and/or degree requirements. This fulfills the degree plan and certificate requirement for A&P but does not replace BIOL 2404 for other programs. Speak with an advisor for clarification and specific advice. You must achieve a grade of “C” or better in both courses to receive a course completion for the degree.

## ❑ EMT Certification - Two Options:

1. Submit Current Certification: Submit a copy of your certification as an EMT from either the National Registry of EMT's (NREMT) or Texas Department of State Health Services (TDSHS).
2. Submit Proof of Eligibility to Test: Submit a letter of explanation, when you expect to take the NREMT Exam, and proof of EMT Training (transcript or other). **If you are accepted to the program, you must provide evidence of certification as an EMT within 30 calendar days of the first day of the Paramedic Program. If you are not certified within 30 days, you will not be allowed to continue in the Paramedic Program.**

For information on EMT training please visit our webpage at [www.blinn.edu/emergency-medical-services](http://www.blinn.edu/emergency-medical-services).

## Requirements after Acceptance/Enrollment

These are not prerequisites for entry but will be required upon acceptance:

Once you begin the program, you will be given a deadline to have all immunizations completed and submitted to the program.
