4 ABBREVIATIONS

LEGEND

- Remove existing carpet flooring and rubber cove base; replace with LVT-1 flooring and new rubber cove base (color: black)
- New crash rail @34" A.F.F. (top) with new PETG wall - - - - protection below and new paint (SW 7064 Passive) above New corner guard at all outside corners
 - IVES FS410 (US 26D) floor stop to replace wall stops at out-swinging doors; GC to verify locations
 - Fire extinguisher cabinet

GENERAL NOTES

- to Substantial Completion.

- completion of work.
- noted.

L

٠

1. GC must field verify all conditions prior to proceeding with the work. 2. GC shall protect all existing materials and finishes to remain. Any damage caused during the course of construction must be returned to "like new" condition prior 3. See specifications for definition for base bid and alternates.

CORRIDOR FINISHES NOTES - BUILDING F

1. Tack boards, display cases, etc. to be removed by Blinn prior to commencement of work. 2. Room signs will be removed and reinstalled by Blinn College. 3. GC shall remove all devices and appurtenances prior to work and reinstall upon

4. GC shall remove wall bumpers prior to commencement of work and install new floor stops at out-swinging doors before completion of work, unless otherwise noted. Patch and repair wall as required to match existing. 5. Remove full extent of crash rails and replace with new at all walls unless otherwise

6. Provide floor transition strips at doors where floor finish material changes. Transition strips shall be placed such that they are concealed when the door is in the closed position. Roppe Tile Carpet Joiner #177 is basis of design. Verify clearance with door prior to purchase & installation.

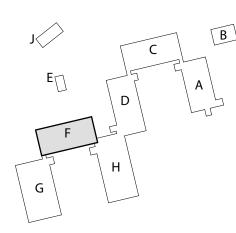

7. Remove Vinyl wall covering from corridor's walls. Repair as needed all drywall to remain and fully float surfaces prior to painting. Level 4 finish.

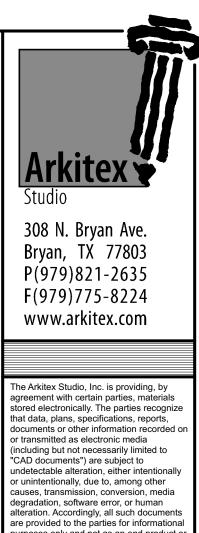

8. Elevator's doors and trim shall be painted.

9. Verify with the owner the number of fire extinguisher cabinets that need to be

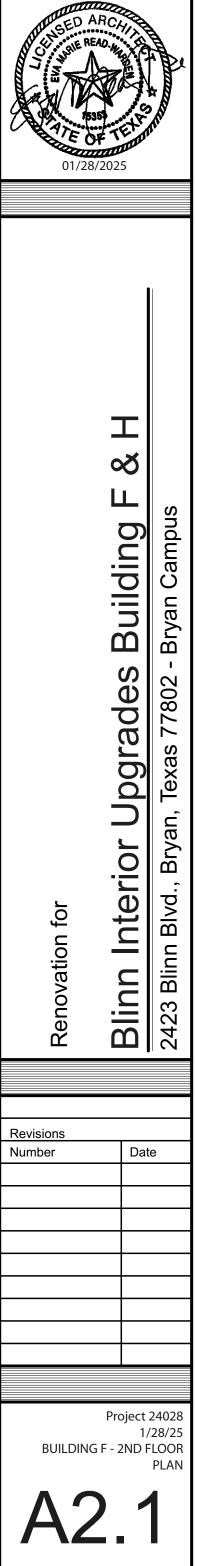

painted.Refer to specification section 012200 - Unit price.

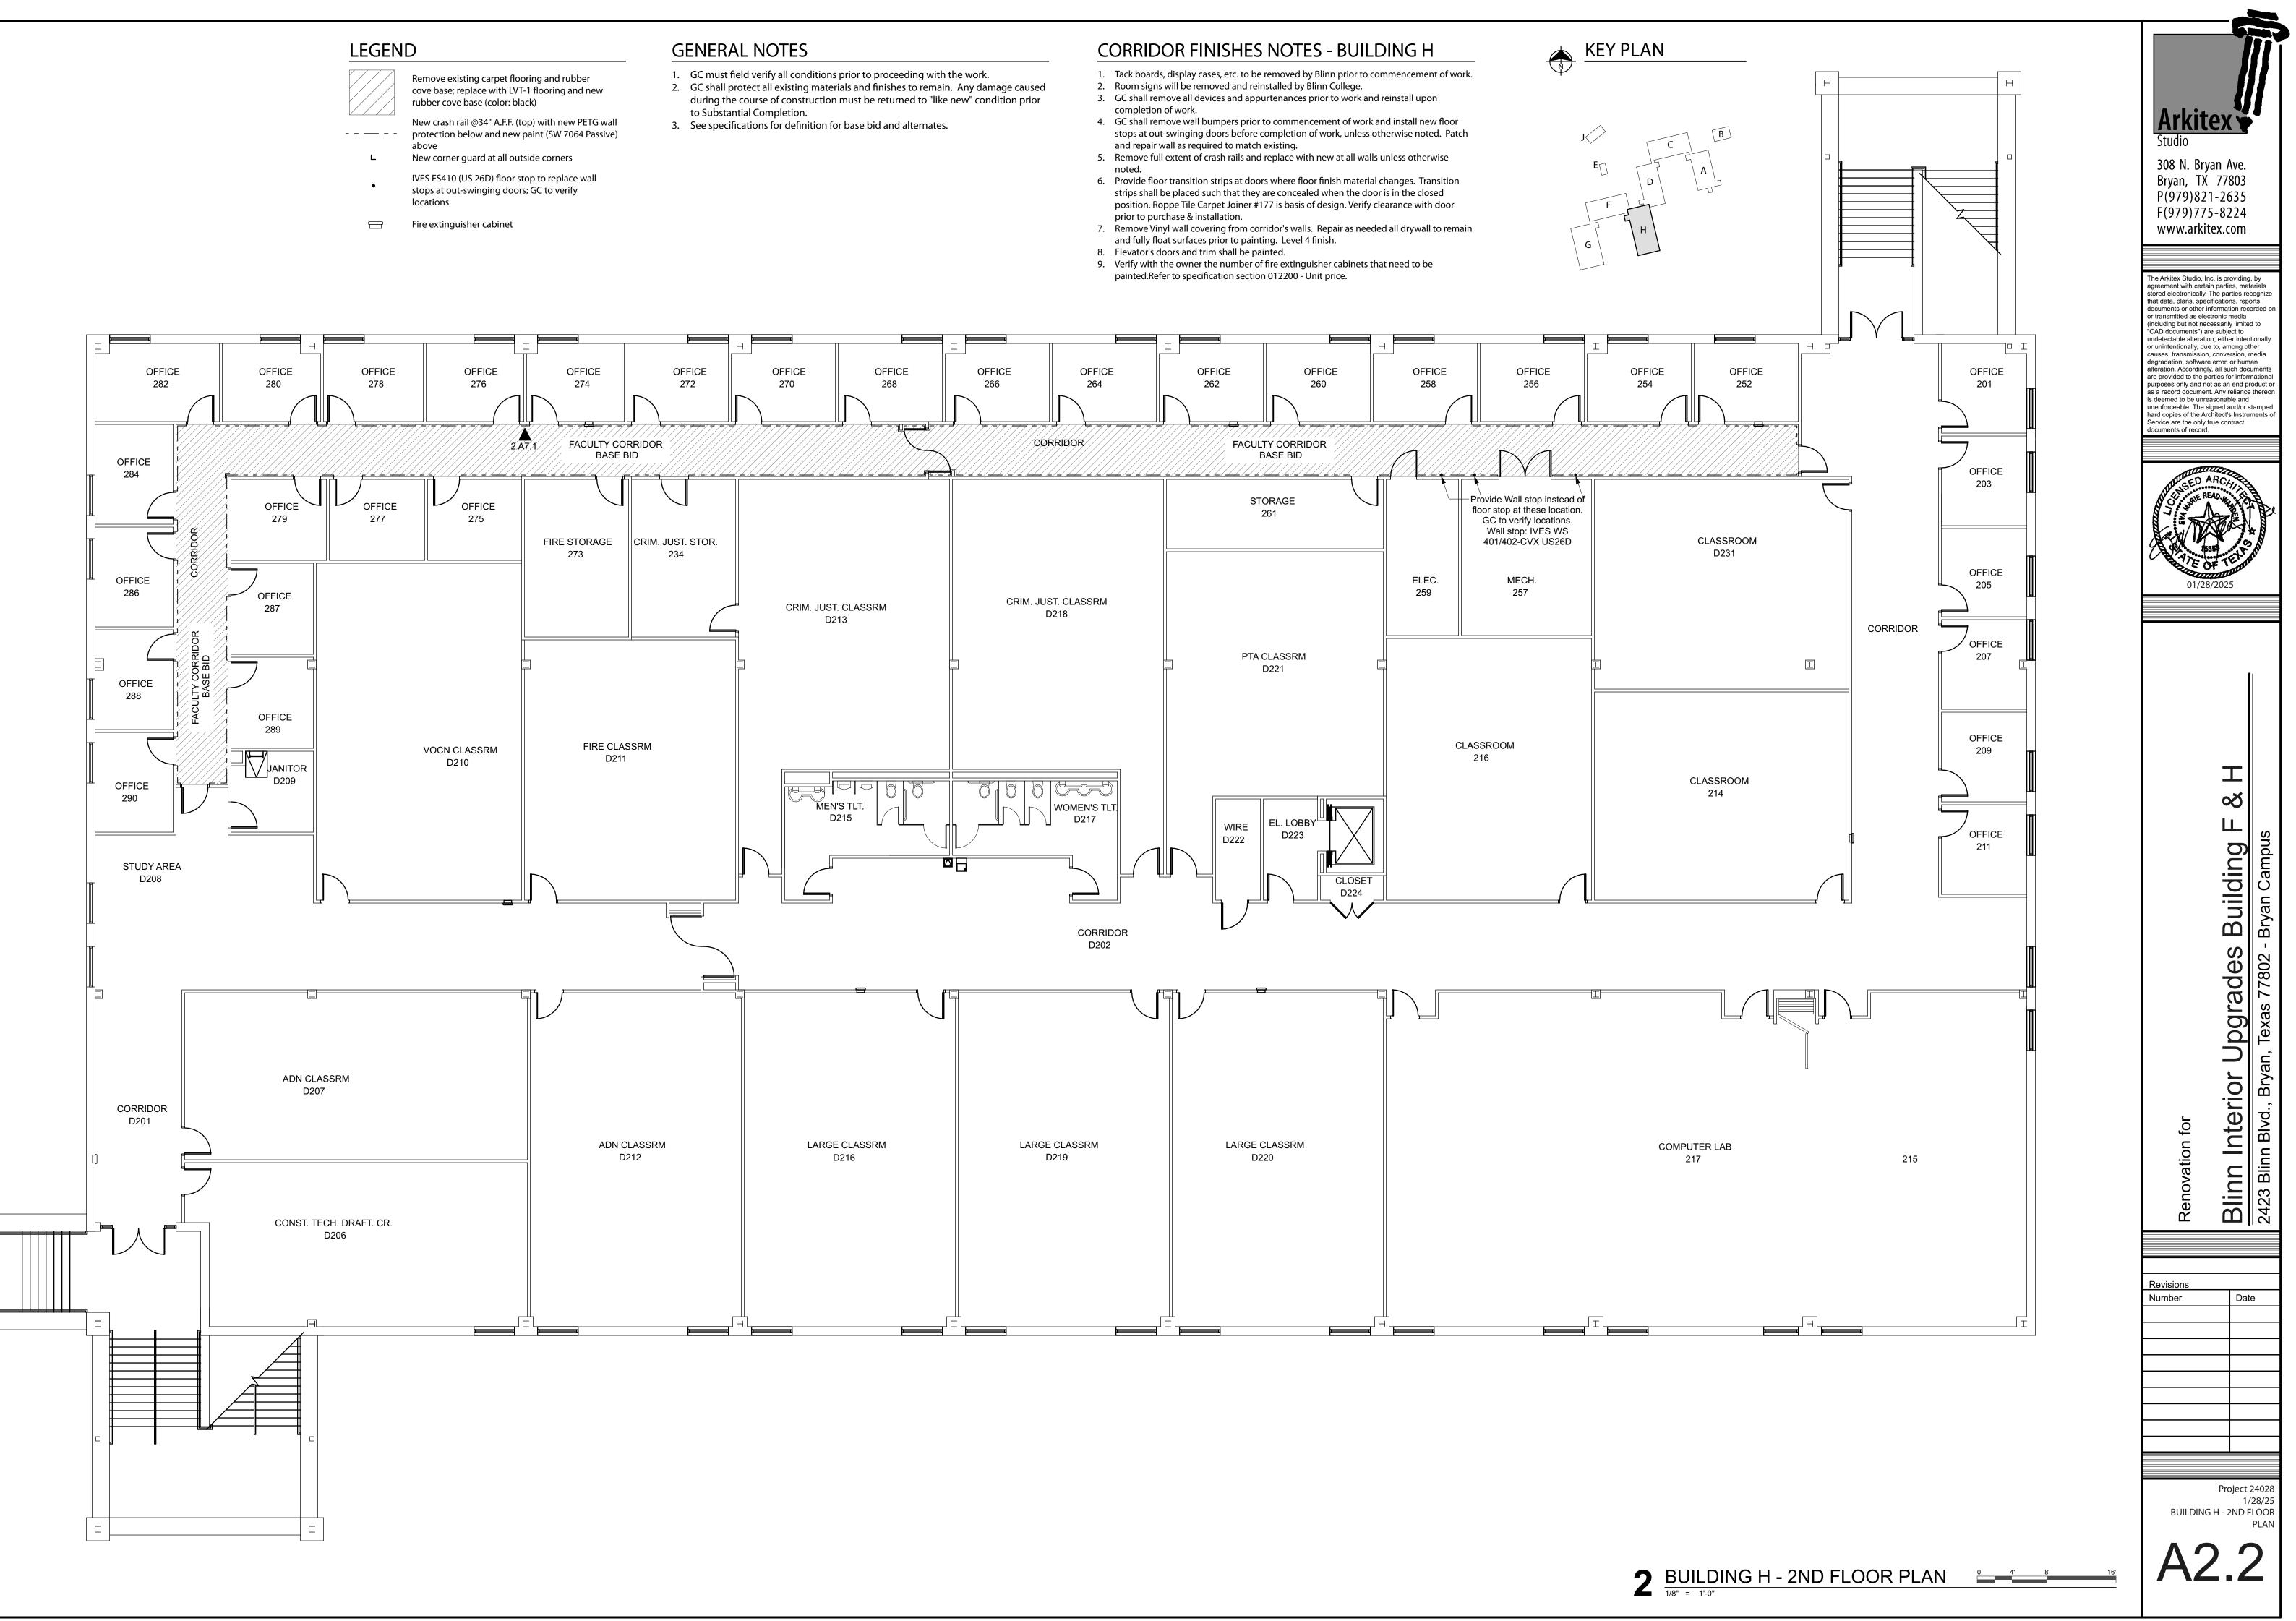

purposes only and not as an end product of as a record document. Any reliance thereof is deemed to be unreasonable and unenforceable. The signed and/or stampe hard copies of the Architect's Instruments Service are the only true contract documents of record.
